

Wedding Prices 2006-2007

Option 1 - £950

For a small or midweek wedding this option includes attendance at church, location and reception, typical 3 hour coverage. This will include proofing online and an album containing 20 8x6 images. (Please note there may be seasonal restrictions)

Option 2 - £1295

This option also includes attendance as above and includes online proofing and 25 10x8 images in an album.

The albums we use in options 3, 4 & 5 are from the stunning range of Albums Australia.

"Albums Australia hand crafts four different ranges of albums, offering you maximum flexibility to design unique and memorable wedding presentations. All can be designed with contemporary and exotic cover materials or personalised with your images or from hundreds of designing options."
Albums Australia

Option 3 - £1650

This option includes a medium Albums Australia album with the first 60 images. Glen will photograph the day, beginning with the bride approximately 2 hours prior to the service until the wedding meal.

Option 4 - £2000

With this option you choose a medium Designer album with the first 80 images included. Glen will cover the day as described in option 1 and will include the speeches if before or after the meal.

Option 5 - £3000

Included in this option is a large Designer/Matrix or Magazine style album (vertical or horizontal) in which Glen will design your album or magazine layouts from his selection of the images. Glen will cover the day commencing with the bride getting ready through the wedding including the speeches and the first dance
